LION'S ROAR

LIBERTY UNION HIGH SCHOOL

LION'S ROAR 72

Liberty Union

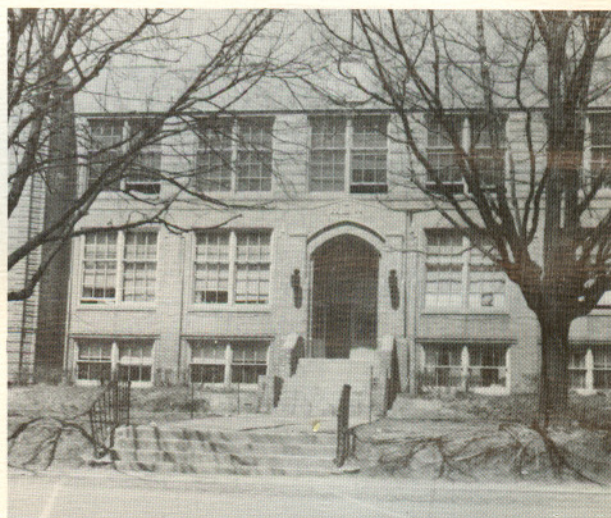

Baltimore, Ohio

The Lion's Roar staff hopes that this yearbook will be your guided tour through the activities that take place in Liberty Union High School. We have tried to select a wide range of photographs, so that every aspect of high school life can be uncovered.

Our high school was built in 1954.

What now serves as our elementary and junior high was erected in 1919 with an addition in 1936. Since the erection of these schools several hundreds have walked through their halls during one school year.

But whether you're inside looking out

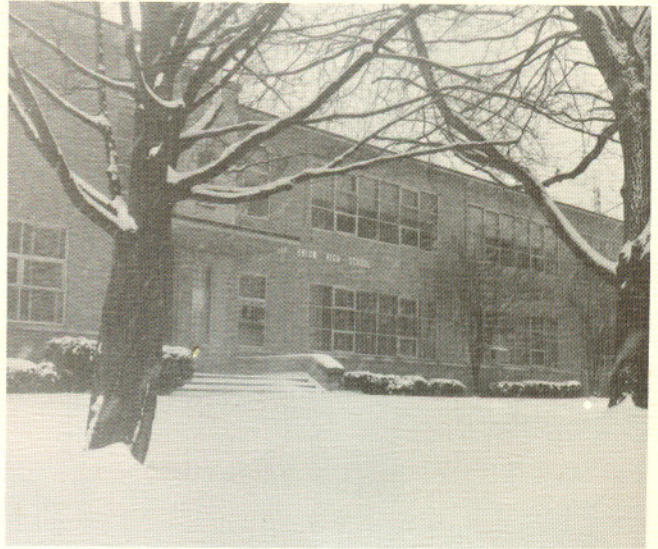

or outside looking in

Whether it is warm out

or cold

When you leave our school, you'll be
wearing a smile.

The 1972 Lion's Roar is dedicated to a person who has participated in both roles of high school life at Liberty Union.

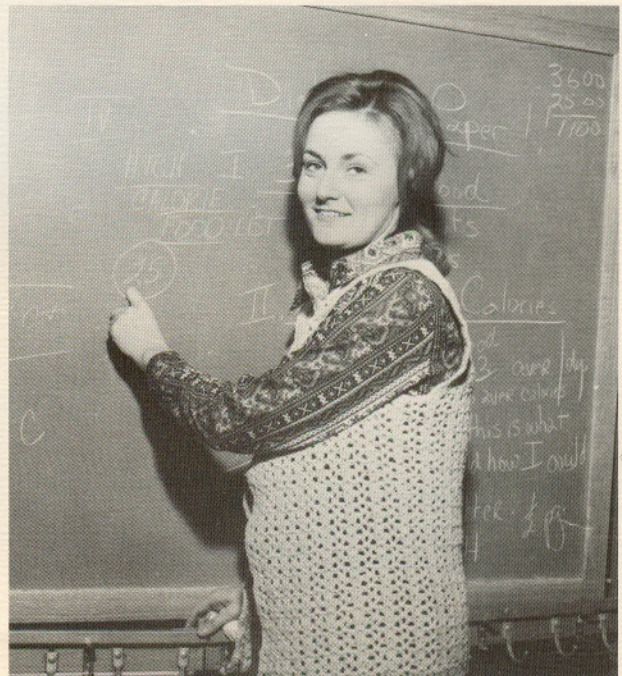

MISS KAREN MCCAFFERTY graduated from our school in 1963 with such honors under her name as State Homemaker, Honor Society, Homecoming Court, May Day Court, Class Play, Most Congenial Senior and yearbook staff. In the fall of 1967 she returned to Liberty Union as Home Economics Teacher, Future Homemakers and Future Nurses advisor. This has been a full time job. Miss McCafferty was not only responsible for her class, but was obligated to spend time after school making home visits and helping girls sew. She also helped organize dances, banquets and drives that the organizations used as projects. Many school nights and weekends were spent in preparation for such events as the St. Nicholas Ball, Sweetheart Dance, Annual Style Review, Crown Zellerbach Banquet, Alumni Banquet, Heart Fund and Emergency Squad Fund Drive.

For a young teacher to dedicate so much of her time to help others, we feel she deserves recognition.

We express our appreciation to someone who was not only a TEACHER, but a FRIEND as well.
