"I Believe in Yesterday"

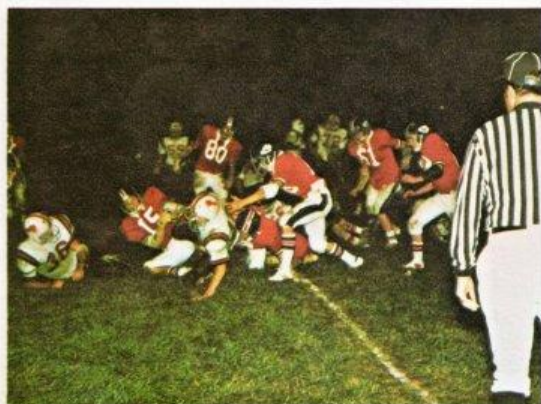

Yesterday was full of special moments. Whether we are marching in the band, doing projects for different clubs, or just having fun, we will always remember what yesterday was.

Spirit plays an important role in Football. Will we remember the kind of team spirit our football team had during the 1975-76 season? When we think back years from now we will have to remember all the hard work and dedication shown by our team and coaches.

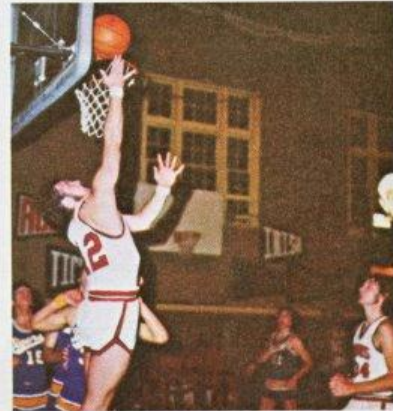

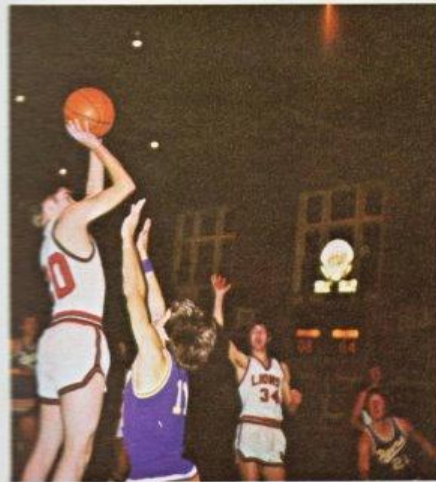

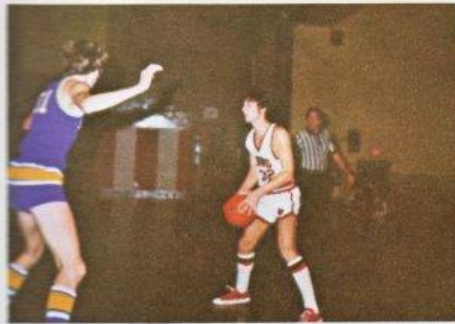

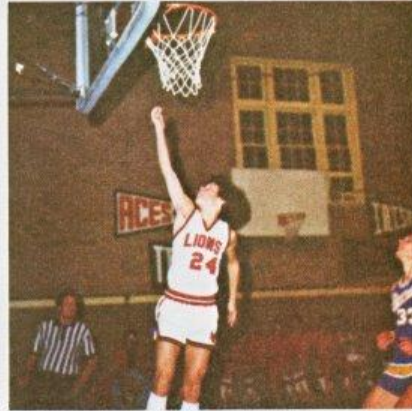

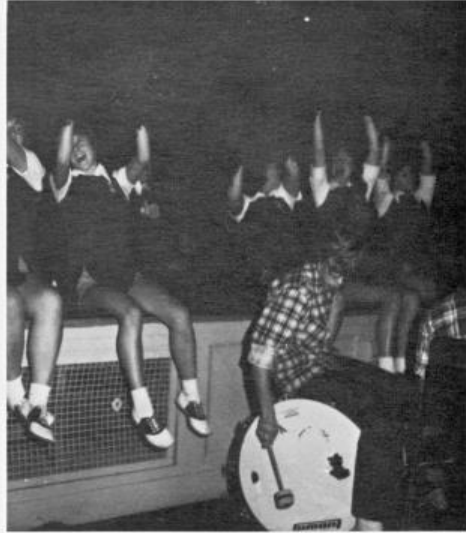

Life gives no higher pleasure than the constant occurrence of difficulties, passing those difficulties with success, forming new wishes and seeing them fulfilled. All difficulties and successes play an important part in our memories of yesterday.

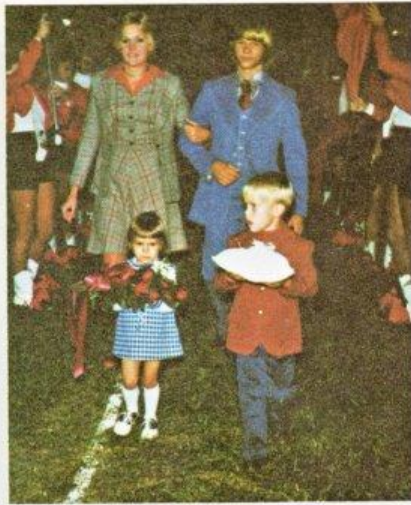

Happiness is a rebound achieved through hard work. Although we may not always be successful our hard work is revealed as we put forth our best efforts to win.
